**BUILDING
FOUNDATION**

Foundation

The Tanunda Lutheran Home has an ongoing commitment to provide aged care in a Christian environment that will meet the physical, spiritual, psychological and social needs of our residents. This will only be achievable through the generosity of the wider community.

The mission of TLH is to provide the highest quality of care and services to the aged and disabled of our community in the 21st century. Therefore we need to continue upgrading our existing facilities and redeveloping the accommodation and services as the demand require.

Our vision can only be realised if financial assistance is received over and above fees and grants that cover basic for the aged. It is important that our elderly residents have access to modern and improved facilities.

To assist us in achieving this goal, we invite you to become involved in donating tax deducted funds that can be used for capital building and refurbishment programs. This will ensure Tanunda Lutheran Home has the financial capacity to continue providing individual care for each resident in a loving, secure environment.

Building the foundation

Through your involvement and gifts you will become part of the ethos - service and giving - of the Tanunda Lutheran Home.

Much of the high standard of care given to our elderly by the Aged Care Facility is the result of the vision, generosity and determination of the wider community since the TLH's establishment in 1952, and we thank our Heavenly Father for the wonderful relationship of care and compassion that exists between residents, staff and volunteers. This excellent Foundation is one on which future generations have the opportunity to further enhance and develop an aged facility which will maintain it's high profile in the Barossa Valley and beyond.

We seek your involvement and financial assistance in supporting the redevelopment of Tanunda Lutheran Home so that it continues to:

- Provide specialised quality care
- Recognise and support the individuality of each resident
- Involve and encourage the wider community
- enrich and nurture a Christian environment for our elderly and disabled people
- Meet the changing needs of the increasing number of aged and disabled residents who can no longer care for themselves.

Make a donation

Being a non-profit organisation, Tanunda Lutheran Home is committed to the continuous improvement of the residential care for the aged and disabled. Much of the high standard of care given to our elderly today is the result of the generosity and determination of the wider community since the homes establishment in 1952. All donations over \$2 are tax deductible.
