## Chaplain's Reflection

**Chaplain Ian Lutze**

The Barossa lends itself to a great appreciation of the Seasons: most recently with beautiful autumn weather broken by a marvellous rain event just in time for Anzac Day – as it should be! It's always a minor miracle when the rain comes. We *believe* it will come, but we do breathe a sigh of relief when it happens.

It's quite natural then to also feel more in tune with the Seasons of the Church Year here in the Barossa than in some other places. The mellow celebration of Lent felt just right for Autumn – and I must admit it felt long and rather dry – just like Autumn. I haven't sung so many Lenten Hymns for years! And now we've experienced the gorgeous break in the season called Easter – and signs of new life are all around us even as the deciduous trees and vines lose their leaves and the paddocks turn green. Surely an Autumn Easter is just as appropriate as the Spring Easter that the Northerners get. We're well-enough blessed to be living down South.

An Easter rejuvenation is great news for residents and staff feeling grief at the loss of fellow residents; it's also great news for staff, volunteers and boards who sometimes feel overworked and under-appreciated. And great news for this chaplain who started on Ash Wednesday and has known nothing in the Home but Lent.

New life comes again. God doesn't forget us. He doesn't abandon us to endless waiting but always has a great new thing just around the corner. That's a connection we can claim as we hear the Easter story again. The Seasons may not always keep changing as we want them to. Bad things sometimes happen and life as we know it will not always be sustained. Change is coming, and the promise of the resurrection is that the best change is always ahead of us. Stay strong! Easter comes again!

Chaplain Ian

## NOT FORGOTTEN

**By Ken Fyffe—IL**

When we had hot-cross buns and Easter eggs,  
as well as chocolate rabbits,  
I thought; Anzac biscuits later,  
showed we're not quite chocolate addicts,  
They're simply more or less reminding us,  
of what they really represent,  
And I wondered when consuming them;  
who sees the sacrifice they meant.  
They show; His sacrifice for others, and how  
our Saviour gave his life,  
And how our Anzacs, who like many;  
helped save us from worldly strife.  
Now, while we who live are growing older;  
and our memory starts to fade,  
We won't forget, "Lest we forget".  
Perhaps reminders are 'our aid'.

## From the CEO

Well it is that time of year where all the talk is about the Barossa Vintage Festival, Scarecrows, the weather and of course the football.

The Barossa Valley region is again looking great. The beautiful colours of the Autumn trees really make a pretty picture – the grape picking activity is also good to see. Nice to have the farmers getting ready for their next season. How good are some of the Scarecrows around the area – I encourage those who can to complete the Scarecrow trail. The weather was certainly the best over the Easter period. Nice to see that weather forecasters are saying there is now a chance of some rain. Now that leaves football – being a Crows supporter what else can I say but so far so good. What a start to the year. The footy tipping is certainly gaining more competition – well done to those who picked nine correct winning teams.

On a more serious note. Increasingly I get asked why there is so many new staff – why are staff who have been here for a long time leaving. To answer this is not easy but I'll give it a try – Tanunda Lutheran Home has had the pleasure of a number of staff who have been here as long as 30 plus years. Some of these staff have decided it is time to retire. The workload for staff is not easy and it is physically demanding. Other staff have been working while they study – when they become qualified they find positions elsewhere. We support a lot of staff learning their skills in working in the aged care environment. A small number of staff leave because they do not meet the organisational values set and practised by all at Tanunda Lutheran Home. I believe in performance management of staff – those who do well get rewarded – those who do not are managed and if necessary are asked to leave the organisation. The turnover of staff we experience is in line with the average of other aged care services so it is not a major concern to me. Changes being introduced in the coming weeks will see the roster filled with more permanent staff and less agency staff used.

Have you met the new gardeners yet? Mark has his work cut out for himself and his team. There are several projects being costed to ensure the gardens are enhanced. The front area of Trinity Court and the Gramp building are on the list. Please ensure if you have any gardening requests to let Carolyn or Britany know to add the job on the maintenance system. A major clean-up process is underway.

### Project updates:

**25 Bridge Street project** – The handover of the project has occurred. The power has been connected and final touches are being made to each unit. The new residents will be moving in later in the month. Gardens will be completed soon.

**Schaedel Street, Nuriootpa Project** - Construction and Tender documentation for Stage One is ongoing. Hoping for an October start to construction.

**27 Bridge Street Master Plan - Stage One** - The Development Application documentation is completed and has been received by the Barossa Council. It usually takes 90 days to receive an outcome.

**27 Bridge Street Master Plan** – If you know of any community group that may be interested in hearing the story or seeing the power point presentation I have prepared regarding the 30 Year Vision please let me know who to contact. I have had a couple of invitations – happy to do more.

We continue to farewell staff and welcome new staff and volunteers. We hope all the new residents are settling in and feeling comfortable - if you have any ideas on how to improve things please let us know. Should you know of any staff who would like to work for us please get them to submit their resume to Kim Hahn.

# Wedding gowns and finery

On Wednesday 19th April the social centre was packed with residents, IL friends and visitors for the eagerly awaited one-off parade of wedding gowns. Five lovely models paraded beautiful gowns—IL resident Irene Joppich was stunning in her wedding finery worn at her marriage to Oscar in 1958—Irene sewed her gown on her mother's treadle sewing machine. The display was open to the public from 18th-21st April 10.00am to 3.00pm and presented in conjunction with the Vintage Festival. Music was provided by Loris Fiebigler and Doug Venning. Friends of TLH kindly loaned bridal gowns in many styles, also bridesmaids' dresses and an assortment of accessories and items relating to weddings. The oldest wedding dress dated back to 1916. Each and every gown was special in different ways. Beautifully dressed bridal dolls were also admired. Rachel Fritz and her team brilliantly organised this event that attracted great interest and admiration from the spectators. Many thanks to all who supplied items and to staff members and volunteers who assisted in various ways over many weeks.

# A Celebration of Lutherans in Wine

Visitors at this celebration swelled the congregation to 97 at the Sunday Worship led by Chaplain Ian Lutze on 23rd April 2017. Our CEO, Board members, wine makers, family members and visitors were in attendance. Special focus was placed on the connection between the original Lutheran settlers in the Barossa Valley and the establishment and growth of the important wine industry. Board chairman, Chris Pfeiffer stated that this is the third similar celebration where we look back on the blessings God has given us and acknowledge our German heritage. Colin Gramp, well known for his wine industry connections over many years, and benefactor of Tanunda Lutheran Home, was also present. Rod Chapman, Ray Giersch and Pastor Ian read appropriate passages from Scripture, all acknowledging God's guiding hand, love and mercy throughout our lives.

In his address, Chaplain Ian said that, due to being associated only recently with the Barossa, he chose instead to focus on Martin Luther's attitude to wine, and enjoyment, and creation. It is well known that Luther said four great, very pointed things about wine, all in its favour, concluding with the statement, "Beer is made by men—wine by God!" But Luther really was a practical man and serious theologian who discovered through bitter experience, that without God's grace we get nowhere. God says that the created things of this world can't fill the deepest longing of our hearts—but He can! So, time out with God through prayer, meditation and attending church a little more often can rejig our lives, get us back into balance again so that we can once more enjoy the lovely things in the creation.

On Thursday morning 20th of April, an attentive audience of 50 interested people heard what information Kenny (supported by Heath and Cheryl) from Gawler Telstra had to share. It was a most informative PowerPoint presentation, all clearly explained by Kenny. Even if you do not have the internet, it is necessary to advise your provider of your intention—the sooner the better, to prevent a rush nearer to the deadline 18 months away. ## ROTHE FOUNTAIN DEDICATION

*The Dedication of the beautiful Rothe fountain recently installed in the outdoor Trinity area of Tanunda Lutheran Home took place at the 10-30am Chapel service on Sunday 9th April 2017*

At the morning service in the Gramp Chapel, a fountain donated by Carmen (nee Rothe) & Mark Seeliger and Marie Rothe, family of the late Frank Otto Rothe and his son the late (Frank) Ian Rothe, was dedicated by the Chaplain, Pastor Ian Lutze.

Many of the Board Members, Administrators and Chaplains who served with Frank and Ian were present. Their important service to the Home was also acknowledged during the Dedication. A number of apologies were received from invited guests unable to be present.

Frank's involvement went back to the inception of The Home, when he approached the Lutheran Church Board in the late 1940s to provide care and accommodation for aged single women and men of the Barossa Church community. He arranged with the Lutheran Church for the purchase of the present land from the Ellis family and also administered the establishment, voluntarily for about 20 years until a part-time Administrator was appointed in 1970, but he continued on as Treasurer until 1978, ending 30 years of involvement. During that time the Home grew quickly in size and scope of care. It became a very important part of the community, who strongly supported it, without Government assistance.

Ian took over the Treasurer's role from 1978 and was involved in vast changes in the development and size of the Home when the Government provided some funding. The original Gramp Chapel was built, extra hostel wings, specialty day care areas and health care facilities and the High Care Facility was built and in 2002 opened by HRH Queen Elizabeth II. During that time, many Independent Living units were being built on site and were eagerly sought after. During Ian's 30 years on the Board, he also served as Chairman and retired in 2008 due to ill health.

It is the Rothe family's wish that the theme of the fountain be left to the observer, but felt that the depiction of "Hands in Prayer, asking God for guidance" was a fitting memorial to Frank and Ian.

# Anzac Day Commemoration

The moving service led by Chaplain Ian Lutze in the Chapel on Monday 24th April was well attended. Speakers addressed the gathering, hymns were sung, prayers offered, passages from Scripture read, and tragedies of war recalled. On every 25th of April, New Zealanders and Australians at home and abroad gather to commemorate not just those ANZACs who died on that day, but all current and former men and women of our Defence Force. Remembered with thanksgiving were those who lie asleep in the ground beneath the shimmering haze of the Libyan Desert—at Bardia, Derna, Tobruk—and amid the mountain passes and olive groves of Greece and Crete and the rugged, snow-capped hills of Lebanon and Syria, and died during the bloody fighting.

Mr Lee Martin, CEO presented the Anzac Day speech. Lee himself joined the army in 1982 and after 16 years transferred to the Army Reserve. He served for over 33 years, attaining the rank of Lieutenant Colonel. In his speech, Lee retraced the events that led to the use of the acronym ANZAC, describing the background to the bloody result—and praised the commitment of the New Zealand and Australian armies—all volunteers. In the eight months that followed their first landing, some 50,000 ANZACS were committed to the battlefield, alongside substantially more British, French and Indian comrades. When the last of them was withdrawn as winter set in, about 11,000 New Zealanders and Australians lay dead, and with them many more allied and Turkish soldiers. Though the ANZAC's withdrawal from Gallipoli was

brilliantly planned and executed, the campaign cannot be described as anything but a defeat. Lee continued: "So here we stand today, along with thousands of others, to honour great men and women and a great tradition. We gather, as we shall always gather, not to glorify war, but to remind ourselves that we value who we are and the freedoms we possess, and to acknowledge the courage and sacrifice of those who contributed so much in shaping the identity of this proud nation, and those that continue to serve." Requiem was read by Rob Hutchinson—Hotel Services Manager at TLH. He recalled those who served in war and who did not return to receive the grateful thanks of the nation.

The Ode was recited in unison, several hymns sung, accompanied on the organ by Glenis Kupke. Last Post was played by Neville Alderslade, followed by one minute's silence prior to the Rouse—Lest we Forget. A sprig of rosemary in remembrance of the ANZACs was offered to each person by Daphne Gower and Joan Minge.

Closing prayer: *Grant faithfulness and endurance to all of us that we may be worthy of their sacrifice and share with them the life which you have promised through Jesus Christ. Amen.*

The service closed by singing the National Anthem.

Many a mother in Australia when the busy day is done  
Sends a prayer to the Almighty for the keeping of her son  
Asking that an angel guide him and bring him safely back  
Now we see our prayers are answered on the Owen Stanley Track.  
For they haven't any haloes, only holes slashed in their ears  
And their faces worked with tattoos and scratch pins in their hair  
Bringing back the badly wounded just as steady as a hearse  
Using leaves to keep the rain off and as careful as a nurse  
Slow and careful in bad places on that awful mountain track  
And the look upon their faces makes you think that Christ was black.  
Not a move to hurt the wounded and they treat him like a saint  
It's a picture worth recording that an artist's yet to paint  
Many a lad will see his mother, and husbands see their wives  
Just because the Fuzzy Wuzzies carried them to save their lives  
From mortar or machine gun fire, or a chance surprise attack  
To safety and the care of doctors at the bottom of the track.  
May the mothers of Australia, when they offer up a prayer  
Mention these impromptu angels with the fuzzy wuzzy hair.
