## FEBRUARY 2021

*Lutheran  
Church  
of Australia*

# Chaplain's Reflection

## Some Church Matters.

This applies more to people who like to attend church around the Home, but by all means, you're all welcome to 'listen in'. With Covid-19 restrictions easing, but a feeling of not quite being 'out of the woods' yet, the way we plan Worship Services at TLH are changing a bit.

February will look like this:

**Acacia Lounge on Mondays.** No change

**Waratah Lounge on Wednesday** - From Ash Wednesday onwards there will not be a specific Waratah Lounge service. Ash Wednesday, and then Lenten Services, will be held in the Chapel on Wednesdays leading up to Easter.

**Trinity/Protea/Waratah** - Residents are invited to worship together in the Chapel on Fridays from 19<sup>th</sup> February onwards.

**Sundays in the Chapel** - This has been restricted mainly to Independent Retirement Living (IRL) people since October last year. From Sunday 21<sup>st</sup> onwards, all residents are welcome to join the Sunday service. The one restriction is that we are not able yet to have wheelchair volunteers from the community to help bring people to church. So we are asking people to only attend if they can get to the service unassisted, or if they have a family member who can bring them.

This is all reflected in the Lifestyle Calendar, including the change in time for the Sunday service from 10.00am to 10.30am on a trial basis.

Yes, we've almost gone full circle of a year with Covid-19. Last year we had to stop Lenten Services after a couple weeks in, and that was the beginning of the shutdown and other restrictions.

Thank you for your patience on many fronts in this past year, which probably means we are all a little more patient than we used to be. Put it this way, we can 'do patience' better.

**Go well in 2021!**

Chaplain Ian

## From the CEO

Well all I can say is the world certainly is a different place. With the COVID-19 pandemic continuing throughout the world our lives have been turned upside down. I feel very privileged to be managing a great team of staff who are doing their absolute best to keep our residents in the Home safe and well.

Our staff have completed training in Infection Control and how to use the personal protection equipment we have on hand. Our residents are isolated when there are any signs of a flu as a precaution, this ensures that the minimal amount of residents are exposed. The COVID-19 swab is taken and when the results are returned negative the precautions are removed.

As I am sure you have all been keeping aware – the vaccine for the COVID-19 is coming. At this stage I believe it may be as early as the end of February 2021. But we will have to wait until it is confirmed. Please remember the vaccination is not compulsory. You can freely choose not to have the vaccine. If you choose to have the vaccine there is a need to have two (2) injections 21 days apart. At this stage I am not aware who will actually give the injections – I'll keep you all informed. Residents and staff working in aged care are the first priority to receive the vaccine.

Following the COVID-19 vaccine there is then the need to have the annual flu vaccine. Residents in the Home may elect to have the vaccine where all staff and anyone visiting the Home the vaccine is mandatory as it has been for the past months. I encourage all family members reading this article to ensure you have the vaccines as quickly as possible so as not to restrict the visiting of your loved ones in our Home. When you receive your flu vaccine please ensure you obtain a record to update our system to ensure a smooth entry to the Home.

As I have previously mentioned March 2021 is going to be a very important month. The report into the aged care Royal Commission will be released. We are expecting change to occur – at this stage we are unsure as to changes but the current federal government will ensure the aged care industry improves what it does for the residents in aged care Homes. Please be mindful of the media as I'm sure they will only print what they think will sell papers. If you are in doubt please ensure you ask me – as time permits I'll ensure gathers are organised for residents and families to come together and talk about the changes.

As I am writing this article we have the Regulators here completing an announced visit of the Home to complete a survey to ensure we are meeting standards. This is a one day event, later in the year we will have a three or four day survey to again ensure we are meeting all standards and outcomes. Our staff are working hard to ensure we can demonstrate this through good documentation and involvement with residents and their families. Please, if you have anything that is concerning you – talk to a staff member so we can sort it out.

Coming to a neighbourhood near you (if you live in the Home), a number of robots to assist staff with manual task sure as the movement of various trollies. By introducing the robots staff will have more time to spend doing care or lifestyle tasks with the residents. No staff member will have hours reduced – they may just have their tasks changed to be more resident focused. Please keep an eye out for a competition to name the robots. I encourage everyone to become involved. Chaplain Ian has agreed to hold a special naming ceremony at an appropriate time. At this stage the robot project 2021 will commence during April 2021 and be completed within a six month period. Photos of the robots will be available for all to see very soon.

As mentioned previously in Tit Tat articles – we need to sell our retirement village Units. There are variety of units on offer, if you know of anyone who is looking to retire in the Barossa send them our way. It's time to start living.

**Please remember - please wash & sanitize your hands**

Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek. **Barack Obama**

#### NEW Vaccination

LASA acknowledges the [National Cabinet's announcement today](#) that there are no current plans to make COVID-19 vaccination mandatory for aged care workers or residents. National Cabinet agreed the interim AHPPC advice on COVID vaccination and aged care facilities.

The Australian Health Protection Principal Committee (AHPPC) has provided advice that state and territory public health orders should not be utilised to require the COVID-19 vaccine for aged care workers at this point.

There is currently a lack of evidence regarding effectiveness at preventing transmission and there is not yet a clear date by which all residents, staff, visitors and carers will have had an opportunity to be vaccinated.

Mandatory vaccinations are not new to aged care as we have had these in place for influenza vaccinations at times. So the AHPPC will continue to monitor the situation and will reconsider this matter and provide advice once further evidence becomes available.

Currently, AHPPC believes that Commonwealth and jurisdictional efforts should focus on communications to strongly encourage community uptake, which is expected to be high.

The Australian Technical Advisory Group on Immunisation (ATAGI) has published [advice on the relative timing of administering influenza and COVID-19 vaccines](#).

The Department of Health has also published information from the TGA about the [process for assessing and approving COVID-19 vaccines](#).

### DEPARTMENT OF HEALTH

#### New sign language interpreting service

From November 2020, older Australians who are deaf, deafblind, or hard of hearing, and who do not have access to interpreting services through aged care programs or the National Disability Insurance Scheme (NDIS), can access free sign language interpreting services for daily activities such as: Family/social events, banking, moving/selling house, dealing with agencies/advisors etc.

These services are available face-to-face and by video remote.

Sign language services for deaf consumers or consumers who are hard of hearing are available in:

- Auslan
- American Sign Language
- International Sign Language
- Signed English
- 

Tactile signing and hand over hand interpreting is available for deafblind consumers.

## Access these services

Clients will need to contact Auslan Connections in advance. Once registered you will receive a Department of Health booking code which can be used each time they book an interpreting service. Bookings can be made via the Auslan Connections [website](#) or by calling 1300 010 877.

Bookings should be made in advance when possible to ensure the availability of an interpreter.

## Further information

Each client can access an average of 40 hours of interpreting services per year. Over the next six months usage will be monitored. A cap may be applied in the 2021-22 financial year.

Deaf or hard of hearing clients who are over 65 won't be required to receive an aged care assessment if they are seeking to access interpreting services.

This new arrangement is in addition to the sign language interpreting services for older Australians who are receiving or want to access aged care services, as [announced](#) by the Minister on 17 June 2020.

## HOME CONTINUOUS IMPROVEMENT UPDATE

- Manual Handling Training has finished for 2020-2021.
- All staff are required to recomplete the "Refresher COVID19 for Aged Care Workers".
- Reminder education provided for Harmony in the Bush, the Basic Principles
- Blinds have been purchased for the new TC dining room and will be delivered and installed mid January 2021
- Training for "Understanding Dementia & Responding to Behavioral Challenges" occurred from 12th January to 20th January

## COMPLIMENTS, COMPLAINTS AND SUGGESTIONS

During December we received complaints about Care (6) Food (6) Other (1) and we are working with the comment maker(s) in resolving the concern to the comment makers satisfaction.

Also during December we received compliments about Care (1) Environment (2) Food (10) Other (3) Staff (15) Lifestyle (2) Maintenance (1) Management & Communication (1) and a total of five suggestions.

We really value this feedback and thank you for taking the time to communicate your thoughts, opinions and experiences with us.

Reminder: it doesn't matter how long we've been living in this pandemic, please don't feel like you should be "used to it by now", being isolated, away from our loved ones and the little things that make our days enjoyable isn't something we get used to, **your doing a great job, be proud of yourself.**

## **Message from Belinda Lifestyle / Volunteer Coordinator**

Thank you to some very extra special people who have shown their generosity and given donations to TLH; especially over the festive season.

Each of these donations were given to our beautiful residents who rest on the fact they know the community is thinking of them.

These donations come in many forms and from many places; We at TLH just wanted to express our sincerest thanks. A special mention to Pat Hunter who has knitted some beautiful soft bears and toys which we have been selling as part of our Strawberry Fete Fundraising from reception.
