## RESIDENTIAL CARE ACCOMMODATION CHARGES

Tanunda Lutheran Home is committed to supporting you to reach goals that enhance your quality of life and independence.

Although the **Australian Government** provides some financial support, you may need to contribute towards your costs.

The Government regulates accommodation charges for residential aged care homes. These charges can either be a lump sum payment (Refundable Accommodation Deposit - RAD) or a regular daily payment (Daily Accommodation Payment - DAP), or a combination of both.

The prices quoted below are the **maximum** accommodation charge a person would pay for Protea Waratah Deluxe Option. If the accommodation charge is paid as a lump sum (RAD) it is **fully refundable**, unless **you choose** to use the RAD to pay other charges.

We would be pleased to discuss your individual circumstances by calling our friendly Tanunda Lutheran Home team on 088563 7777.

We have a range of accommodation choices:

Single room with private ensuite: the maximum accommodation charge a person would pay is \$550,000. The following table shows an example of the accommodation charge options for Protea Waratah Deluxe Option.

Maximum lump sum (RAD)		\$550,000
Maximum daily payment (DAP)		\$60.88
Maximum combination option	50% RAD	\$275,000
	50% DAP	\$30.44

*Note: The government adjusts the interest rate calculation every three months, the DAP amount quoted here is only valid from 01/01/22 to 31/03/22. For the example above: calculated on 4.04%.*
