

Accommodation

All rooms offer both comfort and style, featuring quality fixtures and modern finishes throughout. Located on either the Ground or First Floor. Residents enjoy the comfort of an electric adjustable-height bed, individually controlled reverse-cycle air conditioning, and private ensuite bathroom (shared ensuite in couples rooms).

We offer a variety of thoughtfully designed common areas to enhance the everyday experience of our residents.

These spaces range from peaceful, quiet corners for relaxation and reflection, to lively areas that encourage social engagement and meaningful activity. Our goal is to provide a balanced environment—one that supports individual solitude as well as connection with fellow residents, visiting family, and our caring staff. Each area has been created with the wellbeing and comfort of our residents in mind, offering choice, warmth, and a true sense of community.
